**LAST BALLS 45 MINUTES BEFORE  
CLOSING**

It is essential that golf re-opens in a responsible and safe way and that government advice and policy is adhered to at all times.

In order to protect our customers and staff we will be following very strict guidelines and ask you to do the same.

These will include the rules about who you can play with, clarification of which is available from England Golf

<https://www.englandgolf.org/england-golf-official-statement/>

### **Keele Golf Center rules on entry**

- Sanitise your hands-on entry
- Maximum 100 balls per golfer
- Keep a minimum of 2-metres social distancing at all times
- PLEASE use your own clubs - hire clubs will not be available
- Kindly Leave once you have completed your range session, taking care to observe social distancing from any other customer or staff

### **Extra note**

Please be aware you may be asked to queue outside if the facility is at its full capacity.

Any individual meeting the below criteria SHOULD NOT use the Keele Golf Centre facility:

- Members of high risk or vulnerable groups
- Anyone feeling unwell or showing symptoms of Covid-19

### **SOCIAL DISTANCING**

There will be a strict policy in place limiting **ONE PERSON PER BAY** to ensure that people are keeping to **at least 2m distance** from others at all times. If you arrive at the driving range and all bays are full, we kindly ask to **JOIN THE QUEUE** and wait until a space is available.

### **Extra measures**

We will be taking extra measures to reduce contact with all doors, so these will remain open at all times. Everything that is unavoidable to touch such as **TopTracer** and **selection buttons** on the ball machine will be sterilised using disposables wipes where possible at regular intervals throughout the day.

**Ball Baskets** will be cleaned after every use. Please bring baskets back once you have completed your range session so they can be fully sanitised ready for the next golfers.

Please help us by limiting your personal touch on unnecessary equipment, such as leaning or touching the **bay dividers**. These again will be sanitised regularly but it would be greatly appreciated if you can help us by avoiding unnecessary contact.

**PLEASE WASH OR SANITISE YOUR HANDS AS SOON AS POSSIBLE AFTER LEAVING THE VENUE**

**Final notice**

Please note that the **toilet facilities** will not be available during this period until further notice.

We are strongly recommending **CARD PAYMENTS** where possible, to limit the spread of the virus.

Unfortunately the golf shop is not open until further notice

We look forward to seeing you all soon
